demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, distance from pillar to pillar and GPS co-ordinates.

- iv. The State Govt. shall ensure that the KML files of the forest area diverted and the CA areas shall be uploaded on the e-Green watch portal with all requisite details before handing over of the diverted forest land to user agency.

B: Conditions which need to be complied after handing over of forest land to the user agency.

- i. Legal status of the diverted forest land shall remain unchanged.
- ii. The State Govt. shall ensure that the State Forest Department will raise the Compensatory afforestation over 51 ha degraded forest land identified in Miniguda RF in Jaypatna Range of Kalahandi (South) Division within three years from the date of Stage-II Clearance and maintained thereafter, from the funds deposited by the user agency in CAMPA account. At least 10260 nos. of plants shall be planted over identified degraded forest land. The species to be planted in the CA scheme shall be of native species of the area avoiding Teak and exotic species. Intensive monitoring of the plantation needs to be done and documented using Geo tagging so that the increase of canopy density and survival and growth of plantation can be evaluated at regular intervals.
- iii. The user agency shall pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India.
- iv. The State Govt. and user agency shall ensure that disposal of muck shall be done at the designated sites and under no circumstances the muck to be generated during shall be dumped in the forest land.
- v. The State Govt. shall ensure that tree felling should be taken up in phased manner strictly as per requirement under the supervision of the State Forest Department.
- vi. The State Govt. shall ensure that no labour camp shall be established on the forest land and the user agency shall provide fuels preferably alternate fuels to the labourers and staff working at the site so as to avoid any damage and pressure on the nearby forest areas.
- vii. The State Govt. and user agency shall ensure that no additional or new path will be constructed inside the forest area for any activity related to the project work.
- viii. The State Govt. and user agency shall ensure that no damage to the flora and fauna of the adjoining area shall be caused.
- ix. The State Govt. shall ensure that the concerned Divisional Forest Officer, will monitor and take necessary mitigative measures to ensure that there is no adverse impact on the forests in the surrounding area.
- x. The State Govt. and user agency shall ensure that earth or any material shall neither be brought from nor the debris resulting during construction be disposed of in the adjoining forest area by the user agency.
- xi. The State Govt. and user agency shall ensure that while executing works, the user agency shall not fell any tree or damage forest growth in the surrounding forest area in any manner.
- xii. The State Govt. and user agency shall ensure that the layout plan of the proposal shall not be changed without prior approval of the Ministry of Environment, Forest & Climate Change.
- xiii. The State Govt. shall ensure that the forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to

- any other user agency, department or person without prior approval of the Ministry of Environment, Forest & Climate Change.
- xiv. The State Govt. shall ensure that the user agency shall submit annual self monitoring report on compliance of stipulated conditions to the Nodal Officer (FCA) of the State and Integrated Regional Office of this Ministry by the end of March every year regularly.
- xv. The State Govt. shall ensure that any other conditions that the Ministry of Environment, Forests & Climate Change may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, which shall be complied by the user agency.
- xvi. The State Govt. and user agency shall ensure compliance to provisions of the all Acts, Rules, Regulations, Guidelines, NGT Order (s) & Hon'ble Court Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project.
- xvii.
