

Government of Orissa
Forest & Environment Department

L No. 4554 / F&E 1F-RTI-87109

Dt. 03.03.10

From: Sri Guru Charan Samad,
Under Secy. to Govt. & PIO

To
The Head, State Portal Group, I T Centre,
I T. Department

Sub: Link to the newly launched RTI Central Monitoring Mechanism portal URL from our
Departmental site of Stat Portal of Orissa

Sir,

I am directed to say that the website of RTI CMM has already been inaugurated by Hon'ble SIC, Orissa and has become operative since several months and some public authorities has been given access to update their information under different formats (i.e the 17 formats u/s 4 (1) (b) of RTI Act. 05) those have been uploaded earlier in the RTI CMM. Accordingly F & E Department has been given access for such updating of their RTI formats. As such, it is now apprehended that unless a link between the **URL of State Portal** and the **web Portal of RTI,CMM** is established there will be disparity between the information in similar formats available in both the Portals.

In view of this, it is requested that a link between these two Portals (i.e the **URLs State Portal** and the **web portal of RTI CMM**) may be established as early as possible in respect of F & E Department to over come such problems, apprehended to be occurred in future.

Yours faithfully

Under Secretary to Government & PIO
