

No.10F (Con) 225/2016 5003 /F&E, Bhubaneswar, dated the 09.03.17

ORDER

Sub: Diversion of 6.682 ha of forest land for laying of infrastructural facilities like integrated pipe conveyor (including transmission line, underground water pipeline, service road) and railway line for transportation of coal to their Coal Washery located inside their integrated Steel Plant premises located in Angul district, Odisha and outward movement of finished steel and other byproducts therefrom by M/s Jindal Steel & Power Ltd. .

WHEREAS, the Vice-President(Mining), M/s Jindal Steel & Power Ltd, Angul, Odisha had applied for diversion of 6.682 ha of forest land for laying of infrastructural facilities like integrated pipe conveyor (including transmission line, underground water pipeline, service road) and railway line for transportation of coal to their Coal Washery located inside their integrated Steel Plant premises located in Angul district, Odisha and outward movement of finished steel and other byproducts therefrom by them. .

And whereas, the Ministry of Environment, Forests and Climate Change (hereinafter referred to as MoEF&CC), Government of India, Eastern Regional Office had accorded 'in-principle' approval for diversion of 6.682 ha of forest land for laying of infrastructural facilities like integrated pipe conveyor (including transmission line, underground water pipeline, service road) and railway line by M/s Jindal Steel & Power Ltd. for transportation of coal to their Coal Washery located inside their integrated Steel Plant premises located in Angul district, Odisha and outward movement of finished steel and other byproducts therefrom vide its letter No. 5-ORC248/2015 dt. 13.7.2015 (ANNEXURE-1).

And whereas, the MoEF&CC, Government of India, Eastern Regional office in consideration of the compliance of the conditions of the 'in-principle' approval, has accorded final approval for diversion of the said 6.682ha. of forest land in favour of above mentioned applicant agency vide its letter No. 5-ORC248/2015 dt. 28.02.2017 (Annexure-2) under Section 2 of the Forest (Conservation) Act, 1980;

Now therefore, the Government of Odisha do hereby allow diversion of forest land of 6.682ha. in Angul district in favour of M/s Jindal Steel & Power Limited , as per approved land use pattern(land details duly authenticated by Divisional Forest Officer, Angul Division and Tahasildars of Chhendipada and Banarpal Tahasils as received from PCCF, Odisha vide his letter No. 925 dt. 16.1.2015 appended herewith as Annexure-3), subject to fulfillment of the conditions stipulated by the MoEF&CC, Government of India.

The Collector, Angul and Divisional Forest Officer, Angul Forest Division are authorized to handover the forest land, as has been diverted, within their jurisdiction, to the user agency following due procedure of law. Before handing over the forest land to the user agency, it shall be ensured that Net Present Value for forest land for this project as well as for any other projects, belonging to same user agency, is deposited, in full, at applicable rates.

The Divisional Forest Officer of Angul Division is also directed to monitor compliance to the conditions stipulated for such diversion in the respective forest/ Wildlife clearance order and to report violations, if any, to the Nodal Officer, O/O Pr. CCF, Odisha and to the Forest & Environment Department.

Execution of project activities will be subject to having all other statutory clearances required under relevant Act/Rules for this mining project, deposit of requisite funds and compliance of Court's order, if any.

By order of Governor

(Debidutta Biswal)

Special Secretary to Government

Memo No. 5004 /F&E, Dated: 09.03.17

Copy along with the copy of Annexure 1, Annexure-2 and Annexure-3 above forwarded to the Principal Chief Conservator of Forests, Odisha for kind information and necessary follow up action.

Appropriate instruction to the Divisional Forest Officer of Angul Division and applicant agency may be imparted for required follow up action at their end. It may be ensured by the Divisional Forest Officer that Net Present Value for the forest land involved in this project of applicant agency as well as for any other projects of the same agency, is deposited by them in appropriate head of account in Adhoc-CAMPA in full, at applicable rates. The applicant agency may also be instructed to furnish compliance to the conditions of forest/Wild life clearance pertaining to the project in every quarter to the Divisional Forest Officer of Angul Division for facilitating monitoring of compliances.

Special Secretary to Government

Memo No. 5005 /F&E, Dated: 09.03.17

Copy along with the copy of annexures as above forwarded to the Asst. Inspector General of Forests, Government of India, MoEF&CC(FC Division), Indira Paryavaran Bhawan, Jor Bagh, Aliganj Road, New Delhi, Pin-110003/Addl. Principal Chief Conservator of Forests(Central), MoEF&CC, Government of India, A/3, Chandrasekharapur, Bhubaneswar for kind information and necessary follow up action in compliance to the order of Hon'ble NGT dt. 7.11.2012 in Appeal No. 7/2012 communicated by the MoEF, Government vide their letter F. No.7-23/2012-FC dt. 24.7.2013.

Special Secretary to Government

Memo No. 5006 /F&E, Dated: 09.03.17

Copy along with the copy of annexures as above forwarded to the Pr. CCF(WL) & CWLW, Odisha/Director, Environment, F&E department/ Member Secretary, State Pollution Control Board, Odisha for information and necessary action.

Memo No. 5007 /F&E, Dated: 09.03.17

Special Secretary to Government

Copy along with the copy of annexures as above forwarded to the Regional Chief Conservator of Forests, Angul / Divisional Forest Officer, Angul/Collector, Angul for information and immediate necessary compliance.

It may be ensured by the Divisional Forest Officer that Net Present Value for the forest land involved in this project of applicant agency as well as for any other projects of the same agency, shall be deposited by them in full at applicable rates in appropriate head of account in Adhoc-CAMPA before handing over of the forest land to user agency. Besides, funds, if any, due to be deposited by the agency in this project shall also be deposited by the agency before the forest land is handed over to him. The applicant agency may also be instructed to furnish compliance to the conditions of forest/Wild life clearance pertaining to the project in every quarter to the Divisional Forest Officer concerned for facilitating monitoring of compliances by them.

The Divisional Forest Officer of Angul Division is also instructed to ensure that the direction given to the applicant agency are executed immediately.

Memo No. 5008 /Dated. 09.03.17

Special Secretary to Government

Copy along with the copy of annexures as above forwarded to the Industries Department /Steel & Mines Department/Revenue & Disaster Management Department for information and necessary follow action.

Memo No. 5009 /Dated. 09.03.17

Special Secretary to Government

Copy along with the copy of annexures as above forwarded to the Private Secretary to Minister of Forest & Environment Department for kind information of Hon'ble Minister.

Memo No. 5010 /Dated. 09.03.17

Special Secretary to Government

Copy along with the copy of the enclosures forwarded to the Vice-President(Mining), M/s Jindal Steel & Power Ltd, Angul, Odisha for information and immediate necessary action.

The user agency is asked to take following actions immediately as per orders of Hon'ble National Green Tribunal dt. 7.11.2012 in Appeal No. 7/2012 communicated by the MOEF, Government vide their letter F. No.7-23/2012-FC dt. 24.7.2013.

- (i) They shall publish the entire forest clearance granted in verbatim along with conditions and safeguards imposed by the Central Government in Stage-III forest clearance in two widely circulated daily newspapers, one in vernacular language and the other in English language so as to make people aware of the permission granted to the Project for use of forest land for non-forest purposes.
- (ii) They shall submit the copies of forest clearance orders granted by the Central Government/State Government to the Heads of local bodies and Municipal

bodies along with the relevant offices of the State Government, who in turn, shall display the same for 30 days from date of receipt.

- (iii) Detailed action taken in compliance to the above order of State Government shall be intimated to the DFO, Angul Division/RCCF, Angul /Pr. CCF, Odisha/F&E Department for reference.

Besides the above, the applicant agency is also asked to deposit Net Present Value of forest land for this project and for any other projects belonging to hzm in full, if not deposited yet, at applicable rates. Also requisite funds due for deposit by the agency on account of this project shall also be deposited in Adhoc-CAMPA Account.

The applicant agency shall furnish compliances to the conditions prescribed in the forest/wildlife clearance order to the Divisional Forest Officer of Angul Division in every quarter, for the purpose of monitoring by him.

No.5-ORC248/2015-BHU

109
 Annexure - 1

13th July, 2015

To

The Principal Secretary,
 Forest & Environment Deptt.,
 Govt. of Odisha,
 Bhubaneswar.

State - approval order

Sub:-

Diversion of 6.682 ha of forest land for laying of infrastructural facilities like integrated pipe conveyor (including power transmission line, underground water pipeline, service road) and railway line for transportation of coal to their Coal Washery located inside their integrated Steel Plant premises located in Angul district, Odisha and outward movement of finished steel and other by-products therefrom by M/s Jindal Steel & Power Ltd.

Sir,

I am directed to refer to State Govt. letter No.10F(Cons)14/2015-6870/F&E dated 27.04.2015 and No.7111/F&E dated 30.04.2015 on the above mentioned subject seeking prior approval of the Ministry of Environment, Forests & Climate Change under section 2 of Forest(Conservation) Act, 1980.

Handwritten initials

After due consideration of the proposal of the State Government and on the basis of decision of Regional Empowered Committee held on 10.07.2015, the Ministry of Environment, Forests & Climate Change hereby conveys 'in-principle' approval for diversion of 6.682 ha of forest land for laying of infrastructural facilities like integrated pipe conveyor (including power transmission line, underground water pipeline, service road) and railway line for transportation of coal to their Coal Washery located inside their integrated Steel Plant premises located in Angul district, Odisha and outward movement of finished steel and other by-products therefrom by M/s Jindal Steel & Power Ltd., subject to the fulfillment of the following conditions.

- (i) Legal status of forest land proposed for diversion shall remain unchanged.
- (ii) The State Govt. shall charge the Net Present Value (NPV) of forest area proposed to be diverted under this proposal from the user agency as per the Orders of Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No.202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC dated 05.02.2009 in this regard.
- (iii) At the time of payment of the Net Present Value (NPV) at the present rate, the user agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India.
- (iv) Compensatory Afforestation shall be raised over 16.510 Acre (6.681 ha) of non-forest land identified by State Govt. in Plot No.4/1257 (P), Khata No.2/2 in Mouza Nukhuripada in Angul tehsil of Angul district at the cost of the user agency. The user agency shall transfer the cost of compensatory afforestation and its maintenance for 10 years (revised as on the date to incorporate the existing wage structure) to the Forest Department.

D.V
 14/7

Handwritten signature

- (v) The non-forest land identified for raising compensatory afforestation shall be transferred and mutated in favour of the State Forest Department before issue of Stage-II approval.
- (vi) All the funds received from the user agency under the project shall be transferred to concerned Saving Bank account of the Ad-hoc CAMPA in Corporation Bank, CGO Complex, Lodi Road Branch, New Delhi-11003.
- (vii) State Govt. shall upload the compensatory levies demanded and received from the user agency in the Ministry website before Stage-II approval.
- (viii) The boundary of the forest land proposed to be diverted shall be demarcated on the ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, DGPS coordinates, forward and back bearing and distance from adjoining pillars etc. The distance between any two pillars shall be kept at about 50 mtr and each pillar should be clearly visible from pillars on both sides.
- (ix) The State Forest Department/UA shall submit the surveyed sketch of 16.510 Acre (6.681 ha) of non-forest land identified in Plot No.4/1257 (P), Khata No.2/2 in Mouza Nukhuripada in Angul tehsil of Angul district as proposed for CA, giving the forward and backward bearing of each demarcation pillar and distance between them. The State Forest Department/User Agency shall submit the DGPS reading of each demarcated pillar giving the latitude and the longitude.
- (x) No mine void shall be filled back with fly ash, as proposed in the proposed, without specific clearance for this under Environment (Protection) Act.
- (xi) To minimize the felling of trees for construction of transmission line, the user agency shall comply with the following guidelines issued by Ministry vide letter No.7-25/2012-FC dated 05.05.2014.
- The width of right of way for transmission line on forest land shall be 15 mtr.
 - Below each conductor, width clearance of 3 meters would be permitted for taking the tension stringing equipment.
 - The trees on such strips would have to be felled but after stringing work is completed, the natural regeneration will be allowed to come up. Felling/pollarding/pruning of trees will be done with the permission of the local forest officer wherever necessary to maintain the electrical clearance. One outer strip shall be left clear to permit maintenance of the transmission line.
 - During construction of transmission line, pollarding/pruning of trees located outside the above width of the strips, whose branches/parts infringe with conductor stringing, shall be permitted to the extent necessary, as may be decided by local forest officer.
 - Pruning of trees for taking construction/stringing equipments through existing approach/access routes in forest area shall also be permitted to the extent necessary, as may be decided by local forest officer. Construction of new approach/access route will however, require prior approval under the Act.
 - In the remaining width of right of way trees will be felled or lopped to the extent required, for preventing electrical hazards by maintaining minimum 2.8 meters clearance between conductor and trees.

- g) The maximum sag and swing of the conductor are to be kept in view while working out the minimum clearance mentioned as above.
- (xii) The user agency shall obtain the environmental clearance as per the provisions of Environment (Protection) Act, 1986, if required.
- (xiii) The user agency shall take adequate safety measure for accidental spillage of pipe conveyor, if any.
- (xiv) Earth or any material shall not be brought from or the debris resulting during construction shall not be disposed of in the adjoining forest area by the user agency.
- (xv) The rock/morum excavated from work site should be utilized by Railways/State Govt. for various construction purposes etc.
- (xvi) The designing of culverts/bridges, if any, over the natural streams/ rivers/canals should be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, and also does not hamper movement of wild animals.
- (xvii) The State Govt. shall ensure controlled speed limit of the trains passing through the forest portion to enable the train drivers to react to the sudden appearance of the wild animal on the track.
- (xviii) Adequate signage shall be provided along the railway line passing through forest land.
- (xix) No additional or new path will be constructed inside the forest area for any activity related to the project work.
- (xx) No labour camp shall be allowed in the forest area.
- (xxi) The user agency shall provide fuelwood, preferably alternate fuel, to labourers working at the site to avoid damage/tree felling.
- (xxii) The user agency while executing works, shall not fell any tree or damage forest growth in the surrounding forest area in any manner.
- (xxiii) The forest land shall not be used for any purpose other than that specified in the proposal.
- (xxiv) The forest land proposed to be diverted shall under no circumstances be transferred to any other user agency, department or person without prior approval of Ministry of Environment, Forests & Climate Change.
- (xxv) The layout plan of the proposed forest land shall not be changed without the prior approval of Ministry of Environment, Forests & Climate Change.
- (xxvi) The user agency will obtain clearance under the provision of ST&OTFD (Recognition of Forest Rights) Act, 2006 before final approval of the project and will submit certificate towards settlement of all claims and rights over the proposed forest land as per the Guidelines of Ministry communicated vide letter No.11-9/1998-FC (Pt) dated 03.08.2009 read with guidelines dated 28.10.2014.

(xxvii) Any other conditions that the Ministry of Environment, Forests & Climate Change may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency.

(xxviii) The user agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project.

After receipt of the report on compliance to the conditions stipulated above, from the State Government of Odisha, final/Stage-II approval for diversion of the said forest land under Section 2 of Forest (Conservation) Act, 1980 will be issued by this Ministry. **Transfer of forest land to user agency should not be effected by the State Government of Odisha till final/Stage-II approval for its diversion is issued by the Ministry of Environment, Forests & Climate Change.**

Yours faithfully,

(S. Mohapatra)

No.5-ORC248/2015-BHU

28th February, 2017

To

The Principal Secretary,
Forest & Environment Deptt.,
Govt. of Odisha,
Bhubaneswar.

Diversion of 6.682 ha of forest land for laying of infrastructural facilities like integrated pipe conveyor (including power transmission line, underground water pipeline, service road) and railway line for transportation of coal to their Coal Washery located inside their integrated Steel Plant premises located in Angul district, Odisha and outward movement of finished steel and other by-products therefrom by M/s Jindal Steel & Power Ltd.

Sir,

I am directed to refer to State Govt. letter No. No.10F(Cons)14/2015-6870/F&E dated 27.04.2015 and No.7111/F&E dated 30.04.2015, wherein prior approval of the Ministry of Environment, Forest & Climate Change for diversion of 6.682 ha of forest land for laying of infrastructural facilities like integrated pipe conveyor (including power transmission line, underground water pipeline, service road) and railway line for transportation of coal to their Coal Washery located inside their integrated Steel Plant premises located in Angul district, Odisha and outward movement of finished steel and other by-products therefrom by M/s Jindal Steel & Power Ltd., was sought in accordance with Section-2 of the Forest (Conservation) Act, 1980. After due consideration of the proposal by the Ministry of Environment, Forest & Climate Change and on the basis of decision of Regional Empowered Committee held on 10.07.2015, the in-principle approval for diversion of the said forest land was accorded by Ministry vide this office letter of even number dated 13.07.2015, subject to fulfillment of certain conditions. The State Government has furnished compliance report in respect of the conditions stipulated in the in-principle approval and has requested to grant final approval of the proposal.

2. In this connection, I am directed to say that on the basis of the compliance report furnished by the State Government of Odisha vide their letter No.10F(Cons)225/2016-19452/F&E dated 25.10.2016, No.935/F&E dated 13.01.2017 and OSD, Ad-hoc CAMPA, New Delhi letter No.1-26/2013-CAMPA dated 03.11.2016, approval of the Ministry of Environment, Forest & Climate Change is hereby granted under Section 2 of the Forest (Conservation) Act, 1980 for diversion of 6.682 ha of forest land for laying of infrastructural facilities like integrated pipe conveyor (including power transmission line, underground water pipeline, service road) and railway line for transportation of coal to their Coal Washery located inside their integrated Steel Plant premises located in Angul district, Odisha and outward movement of finished steel and other by-products therefrom by M/s Jindal Steel & Power Ltd., subject to the fulfillment of the following conditions:-

- i) Legal status of the diverted forest land shall remain unchanged.
- ii) Additional amount of NPV of the diverted forest land, if any, becoming due after finalization of the same by the Hon'ble Supreme Court of India, shall be charged by State Govt. from the user agency. An undertaking from the user agency shall be obtained in this regard.

Contd...2

- iii) Compensatory Afforestation shall be raised over 16.510 Acre (6.681 ha) of non-forest land identified by State Govt. in Plot No.4/1257 (P), Khata No.2/2 in Mouza Nukhuripada in Angul tehsil of Angul district at the cost of the user agency.
- iv) The non-forest land which has been transferred and mutated in favour of the State Forest Department for the purpose of compensatory afforestation shall be declared as Reserved Forest under Section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927 or under the relevant Section (s) of the local Forest Act. The Nodal Officer must report compliance within a period of 6 months from the date of grant of final approval and send a copy of the original notification declaring the non-forest land under Section-4 or Section-29 of the Indian Forest Act, 1927, or under the relevant section of the local Forest Act as the case may be to this Ministry for information and record.
- v) The boundary of the diverted forest land shall be demarcated on the ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, DGPS coordinates, forward and back bearing and distance from adjoining pillars etc.
- vi) The user agency shall take up avenue plantation on either side of pipe conveyor and rail alignment, as per feasibility at their cost in consultation with Divisional Forest Officer, Angul as recommended by State Govt. vide letter dated 27.04.2015.
- vii) Since the area is prone to erosion, the project proponent shall take up adequate measures to address this issue in consultation with the Divisional Forest Officer, Angul as recommended by State Govt. vide letter dated 27.04.2015.
- viii) The user agency shall comply with the guidelines for laying transmission lines through forest areas issued by Ministry vide letter No.7-25/2012-FC dated 05.05.2014 and 19.11.2014.
- ix) The user agency shall obtain environmental clearance as per the provisions of Environment (Protection) Act, 1986, if applicable to such project.
- x) The user agency shall take adequate safety measure for accidental spillage of pipe conveyor, if any.
- xi) Earth or any material shall not be brought from or the debris resulting during construction shall not be disposed of in the adjoining forest area by the user agency.
- xii) Adequate signage shall be provided along the railway line passing through forest land.
- xiii) No additional or new path will be constructed inside the forest area for any activity related to the project work.
- xiv) No labour camp shall be allowed in the forest area.
- xv) The user agency shall provide firewood, preferably alternate fuel, to labourers working at the site to avoid damage/tree felling.
- xvi) The user agency while executing works, shall not fell any tree or damage forest growth in the surrounding forest area in any manner.
- xvii) The forest land shall not be used for any purpose other than that specified in the proposal and in no circumstances be transferred to any other user agency, department or person without prior approval of the Ministry of Environment, Forest & Climate Change.
- xviii) The layout plan of the proposed forest land shall not be changed without the prior approval of Ministry of Environment, Forests & Climate Change.

- xix) The State Government shall complete the settlement of rights, in term of the Scheduled Tribes and Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence as prescribed by this Ministry in it's letter No.11-9/1998-FC (pt.) dated 03.08.2009 read with guidelines dated 28.10.2014, in support thereof.
- xx) Any other conditions that the Ministry of Environment, Forest & Climate Change may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, which shall be complied by the user agency.
- xxi) The user agency shall submit annual self monitoring report on compliance of stipulated conditions to the Nodal Officer (FCA) of the State and Eastern Regional Office of this Ministry.
- xxii) The user agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project.
- xxiii) In case of non-compliance of any of the above conditions, the State Govt. shall report to this office as per procedure laid down in the clause 1.9 of guidelines issued under Forest (Conservation) Act, 1980.

3. As has been mentioned at Para-2 of the Stage-II approval, this approval for diversion of forest land is subject to the fulfillment of stipulated conditions mentioned in this approval letter. Therefore, in the event of non-compliance of any of the conditions laid out in this approval letter, the Eastern Regional Office of MoEFCC may withdraw the said approval for diversion of the forest land and stop the non-forest activity being carried out in the forest land besides initiating the legal action as per provisions of Forest (Conservation) Act, 1980.

Yours faithfully,

28.2.2017
